Activities

The activities are not required as part of the Summer Reading Program.

Activities will be limited to the first 50 arrivals for that day. Signing up for the Reading Program does not reserve a space for the activities.

Children under age 8 will require direct adult supervision in order to participate. Due to space limitations, we ask that there be no more than 1 adult per child, please.

The durations of the activities will vary, but all begin at 1:00 pm and generally finish by 3:30 pm at the latest. No one is allowed in after 1:30 pm, so please be on time.

Participants who do not follow rules will be asked to leave for the day. Repeated offences may result in being banned for the duration of the summer program.

Activities will be held in the community center and participants will be expected to stay until the activity ends. There will be no running in and out of the community center.

Participants are welcome to bring bottled water during activities in the community center, but not in the library, please.
